

Horizons Clubs at Ampark - Afterschool Classes

Starting February 3RD 2014 - Programs Administered by Roads to Success

- **Monday: Chess Level 1 and Level 2** with Level 1 being an introduction to RTS Chess history rules, & play! Level 2 review history, rules, and play as well as tournaments and strategy work - Cost \$90 for 6 week one session per week.

- **Tuesday: Lego® Engineering Students** design & build LEGO® Projects, and get an introduction to LEGO® Robotics! Cost \$90 for 6 week one session per week.

- **Thursday: Craft Your Spanish** uses project based language lessons to activate the creative and intuitive center of the brain. Students will increase fluency and vocabulary rapidly by creating sculptures and art projects that illustrate and scaffold the content of the language being taught - Cost \$90 for 6 weeks one session per week.

- **Friday: Capoeira ACBXXKids!** This program emphasizes the acrobatics and musical elements of the Capoeira art which develop spatial awareness, motor-coordination and rhythmic abilities - Cost \$90 for 6 weeks one session per week.

- **NEW! Tutoring: Students will be placed in small, 3-5 student, tutoring groups.** Each student be assessed to find areas of individual need. A tutoring plan will be devised and implemented by the tutor. Tutors will provide progress reports to parents during the program. The tutoring will be conducted by AmPark Neighborhood School's very own certified and exceptional teachers. The actual day of each class is to be determined on enrolment and teacher availability - Cost \$120 for 6 weeks one session per week.
